

**Session Program**

**30 October 2025**

**Does it Compute? - Conference  
in Research**

Feringa Building, Main Auditorium  
Nijenborgh 3, 9747 AG Groningen

## Thursday 30 October

13:00

### in Research: Afternoon Sessions

**Session** | **Location:** Feringa Building, Main Auditorium (Partition 2) | **Convener:** Pedro Santos Neves

13:00–13:25

#### Updates on the Hábrók Compute Cluster

**Speaker**

Fokke Dijkstra

13:25–13:45

#### From molecules to mechanisms: studying protein aggregation prevention with Hábrók

**Speaker**

Vasista Adupa

13:45–14:00

#### Break

14:00–14:25

#### An overview of EESSI

**Speaker**

Bob Dröge

14:25–14:45

#### Leveraging High-Performance Computing in Analytical Sociology

**Speaker**

Daniel Cowen

14:45–15:00

#### Break

15:00–15:25

#### Putting deep learning segmentation models in radiotherapy to the test

**Speaker**

Joëlle van Aalst

15:25–15:45

#### Discussion: The future of Hábrók

**Speaker**

Fokke Dijkstra

15:45–16:00

#### Break

16:00
